Learning Exchange presents…

Using Mimio® Interactive Whiteboard Technology in the Classroom

Part Two - For Intermediate Users, One Viterbo University Graduate Credit

Course Description:

In this hands-on, 2-day training seminar with graduate credit option from Viterbo University, participants will learn how to effectively organize and manage the Gallery, find copyright friendly images, sounds and flash files, use free applications for image editing and sound creation. Additional focus will be on Mimio® Notebook Recorder usage for both instruction and assessment. ***Each participant is expected to create an interactive, multi-page Mimio® lesson at the conclusion of this training, even if not taking training for credit.***

Course Prerequisites:

We recommend participants to complete Part One—for Beginners training, prior to taking Part Two—for Intermediate users. Course participants must possess basic computer skills and have access to a Mimio® XI bar or MimioTeach™ bar in their classroom or school. We ask each participant to bring their own laptop and be familiar with its basic usage, though a limited number of laptop computers will be available to reserve. .

Dates: Saturday, November 12 and 19, 2011 **Time:** 8 am - 3 pm (w/one hour for lunch)

Location: Learning Exchange (16875 W Wisconsin Avenue, Brookfield, WI 53005)

Credit Option: One Graduate Level Credit through Viterbo University (LaCrosse, WI)

Credit Cost: $110.00/ credit (collected on first day of training) **Training Cost:** $175.00

Total Cost: $285.00 (training and credit costs)
